EXCLUSIVE TO MAC TOOLS

Protwist[®] SHOCK

The screwdriver you can strike with a hammer!

AWCK.J12PB
12 PIECE PROTWIST 'SHOCK' SCREWDRIVER SET

Contains:

- Slotted: 4, 5.5, 6.5, 8, 10, 12, 14mm
- Philips: PH1, 2, 3
- Slotted stubby: 5.5mm (no striking cap)
- Philips stubby: PH2 (no striking cap)

The robustness and ease of use of PROTWIST Shock are due to four indispensable elements:

- The metal insert broad, rounded, integrated in the handle to protect the strike zone
- The coating of soft grip handle provides a comfortable and effective for use in safe as you type
- The association of various engineering polymers constituting the handle ensures resistance to efforts to impact, abrasion, breakage and chemicals
- Blade steel high-end carbon silicon 73MO is very robust and resistant

SPX4130

MAC EUROMENTOR PROFESSIONAL SCAN TOOL

Professional diagnostics for professional garages (use for both SPX products)

With the increasing level of vehicle technologies and the demands to profitably complete the job impacting every day on your busy workshop, you need the best tools for the job. You need to be confident that the investment in equipment you make today will also be up to the job in the future; Mac Tools can deliver this solution with the New EuroMentor.... An essential tool for any modern workshop, the EuroMentor provides industry leading design and functionality to provide a powerful solution to the increasing demands to diagnose, repair and service new vehicle technologies.

The EuroMentor ensures speed and ease of use, not just through the large, tactile keypad, but also through the large colour TFT screen and menu driven functionality. These design features deliver great productivity in today's workshop, but with powerful updates 4 times a year, ensure that future vehicle applications are covered as well.

The dynamic screen display ensures that all the functions needed during the diagnostic, service or repair process are always to hand, with powerful options of oscilloscope, 5 gas analyser and flight recorder for on-road testing, maximising productivity and great value for money.

- EOBD
- Rugged autonomous unit
- No time limit car diagnostic software
- Includes 1st year 4 updates on car diagnostic software
- Built in Oscilloscope
- 6" screen size plus can connect to external screen (lead not included)
- "Xpress Scan" of all control units
- Vehicle selection manual or via VIN
- DTC full text description

SPX5041

MAC MACH V5 WIRELESS DIAGNOSTIC TOOL

Taking powerful diagnostics, service and repair to a future level, the Euro 5 compliant X4E5 PC based unit ensure superb coverage on today's vehicles, but through the J2534 Euro 5 vehicle interface, provides 'pass through' vehicle communication for the future. Excellence comes as standard with the powerful, portable touch screen PC and wireless communication to the advanced Mach 5 vehicle interface. The Mach 5 vehicle interface is not only a stand-alone EOBD reader in its own right, but provides the connection for full diagnostic and repair functions for today's vehicles, as well as being the Euro 5 compliant (J2534 and ISO 22900/1 standards interface, through which vehicle manufacturer's data can be downloaded in a way that has never previously been possible outside of the franchised network.

The X4E5 PC hosts the powerful vehicle application software, with a quick and easy drop down menu for vehicle and system selection, with subsequent dynamic icon guidance of the test procedure functions ensuring easy and predictable touch screen control.

- Tablet touch screen PC included
- Euro 5
- Euro 5 MUX
- EOBD
- EU5 J2534
- Wireless
- No time limit car diagnostic software
- Includes 1st year 4 updates on car diagnostic software
- Can connect to external screen (lead not included)
